

REMARKS

A Notification of Defective Response, dated March 5, 2007, states that the Applicant must provide an initial compute readable form (CRF) copy of the "Sequence Listing", an initial paper or compact disc copy of the "Sequence Listing", as well as an amendment specifically directing its entry into the application. Applicant must also provide a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825 (d). If applicant desires the sequence listing in the instant application to be identical with that of another application on file in the U.S. Patent and Trademark Office, such request in accordance with 37 CFR 1.821 (e) may be submitted in lieu of a new CRF.

Applicants comply with the above-referenced requirements and enclose a substitute paper copy and the substitute computer readable form (CRF) of the "Sequence Listing", as well as an amendment

amendment specifically directing its entry into the application.

Applicants also provide a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing.

Entry of the enclosed materials is respectfully requested.

Respectfully submitted,

Antje Breitenstein et al.
